

We have good news for You. You have become the lucky holder of a voucher for the purchase of glasses, vases, decanters or other SRNA goods in our e-shop [www.srna.cz](http://www.srna.cz).

After selecting the goods, You will find a box for discounts in the basket, please enter the number you will find on Your voucher there. The discount will be applied and you can complete the order.

Then come the beautiful moments of pleasure before our glass beauties arrive.

This voucher can also be used for the workshop application. All you have to do is choose a date, which you can find on our e-shop in the WORKSHOPS section.

We add dates gradually, always about a month in advance. After signing up for a specific date, go to the basket and then the procedure is the same as for the purchase – you enter the number from the voucher in the discount column.

Please do not forget to check the validity of Your voucher.

Have fun and enjoy with the SRNA products!
